

## Land-Based (Outdoor Education) Teacher

Keewaytinook Internet High School

**Keewaytinook Internet High School** is seeking a strong, creative, and passionate educator to fill our land-based education position for the 2021/2022 school year. While the teacher will be based out of Balmertown (Red Lake), ON, the job will involve regular travel to our 15 partner communities throughout the year. This position will involve:

- working as part of a team with a passion for improving First Nations education at the high school level;
- liaising with KiHS community classroom teachers and community members and elders;
- creating and delivering indigenous cultural and land-based educational opportunities within the 15 KiHS partner communities;
- ensuring activities honour unique knowledge, skills, values, and teachings of each partner community;
- assuming regular KiHS online course instructional duties in teachable areas.

This will be a demanding yet exciting job, with an important balance to be struck between learning (from partner communities, students, elders, and the KiHS team) and collaborative leading (with administration and colleagues in the development of a new program).

KiHS teachers must be members of the Ontario College, certified at the intermediate and/or senior level. KiHS offers a very competitive salary and benefits package for the region. Teachers will provide an OSSTF rating for proper grid placement. Our teachers are members of the Ontario Teachers' Pension Plan. Through an innovative partnership with KPDSB, KiHS teachers are granted access to the NTIP certification of the OCT.

Applicants should have experience with First Nations education, land-based and/or cultural education in the region. Knowledge of Ojibway, Oji-Cree, and/or Cree is considered an asset.
